Come and join in with

Bulb Planting at All Saints, East Horndon.

Saturday 22nd Oct 2011, 10:30am

Bring some bulbs, small spades, etc and help us prepare for a colour explosion in Spring at this wonderful historic building. If you cannot join us you can still help by donating bulbs. Please bring in any bulbs up until the 21st Oct (in bucket by the school entrance).

The church is situated at the junction of the A127 & A128, just over three miles from the M25. Turn off the A128 towards the Half Way House restaurant, entrance to the church yard on the left hand side.
